

Capacities/Research Potential
FP7-REGPOT-2009-1

Project No. 228644

CRETEHEPCOSMO

Crete Center for particle Physics and Cosmology

Deliverable D8

Conference announcement on the website, presentations posted at website and report.

Project start date:	01/04/2009
Project duration:	41 months
Due date of deliverable:	41st month
Actual submission date:	41st month
Dissemination level:	PU

A webpage was developed at the Crete Center of Theoretical Physics in accordance with the specifications in the Annex. It provides:

- 1) The general structure of the center, and its purpose: <http://hep.physics.uoc.gr/>
- 2) Functional information and guidance for scientists
- 3) Outreach for students and the general public mostly targeting a Greek speaking audience <http://hep.physics.uoc.gr/outreach.shtml>
- 4) Information of the EU project: <http://hep.physics.uoc.gr/networking.shtml>

and <http://hep.physics.uoc.gr/cretehepcosmo.shtml>
